Changing the way they send out newlestter to paperless, also the oldest or only

child of a family will receive any other school news or papers in their family to cut down on waste. Concerns with the grant funding for the new hot lunch program, feeling the need to hire a kitchen helper that was not covered in the grant. A lot of milk was being wasted so now there is certain days that a class will receive milk but the parent still have the option to purchase milk tickets for the days milk isn't provided to their child. Breakfast program was paid for by the grant but is supposed to be paid for by the School council, Amanda to rectify this and cover expense.
