

WELCOME BACK!

It is my pleasure to welcome everyone back to another amazing year at I.F. Cox School. We are excited to have the students back in our classrooms and hallways, filling them with energy and enthusiasm for learning. It is our mission to make every student feel welcome and connected to the I.F. Cox family, while focusing on extending their academic abilities. We have a great staff that works hard planning activities to keep our students engaged. It is a great honour to be a part of a community where parents, teachers and students care for each other and strive to build positive relationships that support academic and social growth. If you ever have any questions, concerns or ideas for us, please contact your child's teacher or the office.

We would love to hear from you!

We publish a newsletter every month that will be shared with parents through SeeSaw. It will also be posted to our school Facebook page and our website. If you would like a paper copy as well, please let your child's teacher know.

I would like to invite our families to our Meet The Teacher, Back to School BBQ on Thursday, September 21st. Supper will be served from 5:30-6:30. We will have tables set up, but feel free to bring a lawn chair if you wish. We will be serving Mike's Meats sausages and hot dogs.

I look forward to another great year!!

Mrs. Linda Asham

Truth And Reconciliation - Friday Sept. 29

Orange Shirt Day is an Indigenous-led grassroots commemorative day intended to raise awareness of the individual, family and community intergenerational impacts of residential schools, and to promote the concept of "Every Child Matters". The orange shirt is a symbol of the stripping away of culture, freedom and self-esteem experienced by Indigenous children over generations.

Because we are not in school on September 30th, the identified Truth and Reconciliation Day, we encourage everyone to wear orange to honour the thousands of Survivors of residential schools on Friday, September 29th.

My name is Mrs. Alison Vis.

I am so excited to be teaching Grade One this year!

I live here in Redcliff with my husband, four young kiddos, and our pets: Mia the Bernedoodle and Max the cat.

I love to be outside, and be active with my family. I love our Redcliff community and you can often find me at the pool in the summer and the rink in the winter!

I graduated from the University of Lethbridge in 2012 with a Bachelor's degree in History and Education. Most recently I have been a substitute teacher here at I.F. Cox for the last two years!
