

I. F. COX APRIL NEWSLETTER

Mrs. Asham's Message

We are thrilled to announce our third annual "Exhibition of Learning", scheduled for Wednesday, April 17 from 5:50-6:30. The primary goal of the exhibition is to showcase the remarkable growth our students have achieved so far this year. Each student has dedicated themselves to producing high-quality work, eager to share their accomplishments with parents and members of the community.

Please ensure your child is dropped off at their respective classroom prior to meeting in the gym by 5:30. During the exhibition, your child will remain stationed at their exhibit for the duration of the hour. To offer optimal support to our students, we encourage you to visit as many exhibits as possible, within the hour. Remember, the PROCESS of the project is just as significant as the end PRODUCT. Engage with our student presenters by asking thought-provoking questions such as:

What did you enjoy the most about this project?

What challenges did you face along the way?

What would you do differently next time?

What new skills did you develop through this project?

What was your favourite/least favourite part of this project?

What's one thing that you really want people to notice about your project?

What are you most proud of?

Your participation and support are invaluable to our students' continued growth and success.

We look forward to seeing you at the Exhibition of Learning!

We will be hosting our
second book fair on
April 29th and
30th.

Fish in Schools

BOW HABITAT STATION

The excitement is bubbling as our little trout fry continue to flourish in their aquatic habitat! With each passing day, these tiny fry are growing swiftly, fueled by their small, but hearty, meals provided twice daily. It won't be long before we upgrade their diet to ensure they stay on track with their development journey.

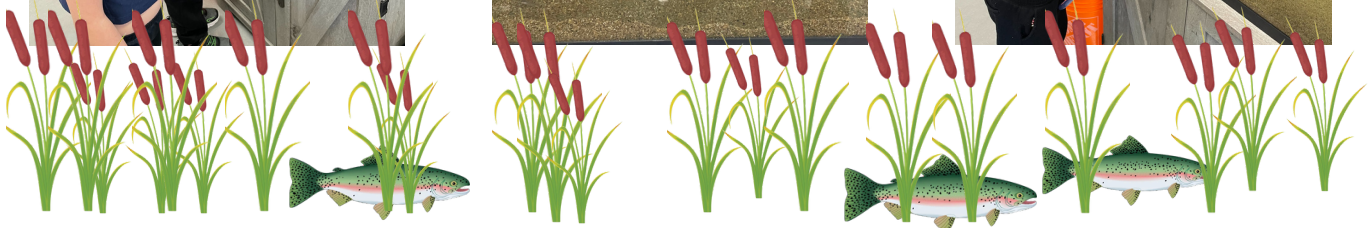

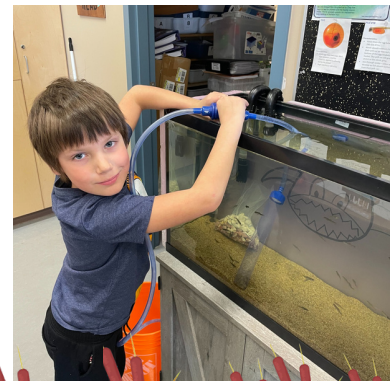

It's not just their growth that's keeping us on our toes - our dedicated team of staff and student helpers are keeping the waters pristine with twice-weekly water changes, ensuring the perfect environment for our growing trout.

Now, onto the real thrill, the race to determine who will claim the top spots in our pledge challenge! With a few classes neck and neck in the competition, the excitement is growing. Every contribution brings us one step closer to our year-end trout release and fun day at Echo Dale Park! Donations can continue to be made up until the fish release day in June. However, the winners of the fundraising challenge will be announced when we return from Easter break.

All proceeds from the pledge challenge go directly towards ensuring the success of our trout program and making our release day a splashing success; we even get bouncy castles!!

Stay tuned for more updates as our trout continue their journey from fry to full-fledged fish. Until then, keep the enthusiasm swimming!

Best fishes,
Mrs. Robins and Mr. Montoya

WAY TO GO!

We have wonderful students at I. F. Cox!!

This month's Caught Being Good winners include: Walker, Callie, Harmony, Ashlynn, Andi, Maverick, Amelia, Sam, KJ and Charli.

2024 SWIMMING

LESSON REGISTRATION

Lessons can be booked @ redcliff.ca by clicking on the Online Booking button. After May 15th, you may contact the pool directly to inquire about facility bookings, private lessons & advanced life saving courses. More information regarding the Swim for Life program & lesson descriptions can be found @ lifesaving.org.

Mavericks Fundraiser

Students will be coming home today with an order form for Medicine Hat Mavericks tickets. We kindly request that each student try to sell these tickets to friends and family, avoiding door to door sales. Once you've finalized your order, please send it, along with payment, to the office. We will then send the tickets home in an envelope, with your child.

\$12 PER TICKET (REGULAR \$15)

\$5.00 FROM EVERY TICKET GOES TO OUR SCHOOL!!
